This Amendment No. 7 on Schedule 13D/A (“**Amendment No. 7**”) is being filed by Noble Energy, Inc., a Delaware corporation (“**Noble Energy**”), and NBL Midstream, LLC, a Delaware limited liability company (“**NBL Midstream**”), to amend the Schedule 13D originally filed on October 10, 2014 (the “**Original 13D**”) by Noble Energy, as amended by Amendment No. 1 thereto, filed on January 1, 2015 (“**Amendment No. 1**”), as amended by Amendment No. 2 thereto, filed on October 23, 2015 (“**Amendment No. 2**”), as amended by Amendment No. 3 thereto, filed on December 5, 2016 (“**Amendment No. 3**”), as amended by Amendment No. 4 thereto, filed on May 26, 2017 (“**Amendment No. 4**”), as amended by Amendment No. 5 thereto, filed on October 26, 2017 (“**Amendment No. 5**”), as amended by Amendment No. 6 thereto, filed on December 20, 2017 (“**Amendment No. 6**,” and, together with the Original 13D, Amendment No. 1, Amendment No. 2, Amendment No. 3, Amendment No. 4, Amendment No. 5 and Amendment No. 7, this “**Schedule 13D**”).

### **Item 3. Source and Amount of Funds or Other Consideration.**

Item 3 of the Schedule 13D is hereby amended to read in its entirety as follows:

In 2011, Noble Energy and CONSOL Energy Inc. (“**CONSOL**” and, together with Noble Energy, the “**Sponsors**”) formed CONE Gathering LLC (“**CONE**”) to develop, own and operate natural gas and condensate midstream assets to service the Sponsors’ joint natural gas and condensate production in the Marcellus Shale. At the time of formation, each Sponsor owned a 50% interest in CONE. In 2014, CONE formed CNX Midstream Partners LP, a Delaware limited partnership (the “**Issuer**” and formerly known as CONE Midstream Partners LP), and CNX Midstream GP LLC, a Delaware limited liability company, the sole general partner of the Issuer and a wholly owned subsidiary of CONE (the “**General Partner**” and formerly known as CONE Midstream GP LLC). As a result of its ownership in CONE, each of the Sponsors owned a 50% interest in the General Partner as well.

On September 30, 2014, the Issuer completed an initial public offering of 20,125,000 Common Units (the “**IPO**”). In connection with the completion of the IPO, the Sponsors, CONE, the General Partner and the Issuer entered into a contribution, conveyance and assumption agreement, dated September 30, 2014 (the “**Original Contribution Agreement**”), pursuant to which (a) the Sponsors (through CONE) contributed to the Issuer controlling interests in certain natural gas gathering pipelines and compression and dehydration facilities, as well as condensate gathering, collection, separation and stabilization facilities, and (b) CONE received in exchange 9,038,121 Common Units and 29,163,121 Subordinated Units. Each Subordinated Unit will convert into one Common Unit at the end of the subordination period, as described in the Prospectus filed with the Commission by the Issuer on September 25, 2014 relating to the IPO.

Upon the completion of the foregoing actions, and pursuant to the Original Contribution Agreement, CONE distributed to each of the Sponsors one-half of the LP Units previously received from the Issuer. As a result, Noble Energy owned 4,519,061 Common Units and 14,581,560 Subordinated Units. As a result of the distribution, CONE no longer has a pecuniary interest in these units.

Effective as of January 1, 2015, Noble Energy contributed to Noble Midstream Services, LLC, a Delaware limited liability company (“**Noble Midstream**”), among other things, 4,519,061 Common Units and 14,581,560 Subordinated Units.

Effective as of October 23, 2015, Noble Midstream distributed to NBL Midstream, among other things, 4,519,061 Common Units and 14,581,560 Subordinated Units.

On November 16, 2016, pursuant to that certain Contribution Agreement by and among CONE, the General Partner, the Issuer, CNX Midstream Operating Company LLC (formerly known as CONE Midstream Operating Company LLC) and the other parties named therein (the “**Contribution Agreement**”), CONE contributed to the Issuer a 25% limited partner interest in CNX Midstream DevCo I LP (formerly known as CONE Midstream DevCo I LP) in exchange for consideration comprised of \$140 million in cash, the issuance to CONE of 5,183,154 Common Units and the issuance to the General Partner of an additional general partner interest in the Issuer in an amount necessary for the General Partner to maintain its 2% general partner interest in the Issuer. The price per unit was \$20.42, the volume weighted average trading price of the Issuer’s Common Units over the trailing 20-day trading period ending on November 11, 2016. Immediately thereafter, CONE distributed to NBL Midstream, as its 50% member, 2,591,577 Common Units and \$70 million in cash. While CONE no longer holds any LP Units, it continues to own (i) the General Partner which in turn owns the 2% general partner interest in the Issuer, and (ii) incentive distribution rights in the Issuer.

---

On May 17, 2017, Noble Energy, Noble Energy US Holdings, LLC, a Delaware limited liability company (“**Noble Holdings**”), a subsidiary of the Company, and Wheeling Creek Midstream, LLC, a Delaware limited liability company (“**Wheeling Creek**”), a portfolio company of Quantum Energy Partners, entered into a Purchase Agreement (the “**Wheeling Creek Purchase Agreement**”) pursuant to which Noble Energy and Noble Holdings agreed to sell to Wheeling Creek 100% of the outstanding membership interests in NBL Midstream, which owns a 50% interest in CONE, 7,110,638 million Common Units and 14,581,560 Subordinated Units, for total cash consideration of approximately \$765 million (the “**Disposition**”). Upon completion of the Disposition, Noble Energy would no longer have any pecuniary interest in any of the LP Units.

On November 15, 2017 (the “**Conversion Date**”), upon termination of the subordination period pursuant to Section 5.7 of the First Amended and Restated Agreement of Limited Partnership of the Issuer, which is incorporated by reference to Exhibit 3.1 of the Issuer’s Current Report on Form 8-K filed with the Commission on October 3, 2014 (the “**Partnership Agreement**”), the 14,581,560 Subordinated Units held of record by NBL Midstream converted into Common Units on a one-for-one basis for no additional consideration.

On December 14, 2017, Noble Energy terminated the Wheeling Creek Purchase Agreement. Also on December 14, 2017, NBL Midstream and CNX Gas Company LLC, a Delaware limited liability company (“**CNX Gas**”), a wholly owned subsidiary of CNX Resources Corporation, entered into a Purchase Agreement (the “**CNX Purchase Agreement**”), pursuant to which NBL Midstream agreed to sell its 50% interest in CONE to CNX Gas for a total cash consideration of \$305 million. In connection with the transaction, CNX Gas will acquire Noble Energy’s 50% interest in the General Partner.

On January 3, 2018, NBL Midstream closed the CNX Purchase Agreement. Noble Energy received proceeds of \$308 million in cash and recognized a pre-tax gain of \$196 million. NBL Midstream retained its ownership of 21,692,198 Common Units.

On June 26, 2018, NBL Midstream, as the selling unitholder, the Issuer, and the General Partner, entered into an underwriting agreement (the “**Underwriting Agreement**”) with Citigroup Global Markets Inc. and Barclays Capital Inc. (together the “**Underwriters**”), providing for the offer and sale by NBL Midstream, and purchase by the Underwriters, of 6,500,000 Common Units (the “**June 2018 Firm Units**”) at a price to the public of \$18.30 per Common Unit (\$18.0255 per Common Unit, net of underwriting discounts). On June 27, 2018, the Underwriters notified NBL Midstream of their election to exercise their over-allotment option in full, pursuant to the terms of the Underwriting Agreement, for 975,000 additional Common Units (the “**June 2018 Additional Units**”) and, together with the June 2018 Firm Units, the “**June 2018 Units**”). The sale of the June 2018 Units closed on June 29, 2018. This summary description of the Underwriting Agreement does not purport to be complete, and is qualified in its entirety by reference to the Underwriting Agreement, a copy of which is filed as Exhibit 99.3 to this Schedule 13D/A.

Pursuant to the Underwriting Agreement, NBL Midstream agreed with the Underwriters, subject to customary exceptions, not to offer, pledge, sell, or enter into any agreement to sell or otherwise dispose of or transfer, any Common Units or securities convertible into or exchangeable or exercisable for the Common Units, for a period of 90 days after June 26, 2018, except with the prior written consent of the Underwriters (the “**Lock-Up Agreement**”). This summary description of the Lock-Up Agreement does not purport to be complete, and is qualified in its entirety by reference to the form of Lock-Up Agreement, a copy of which is included at Exhibit D to the Underwriting Agreement, a copy of which is filed as Exhibit 99.3 to this Schedule 13D/A.

#### **Item 4. Purpose of Transaction.**
