NEWS RELEASE

**NOBLE ENERGY COMMENCES TENDER OFFER  
FOR ITS 4.15% SENIOR NOTES DUE 2021**

**HOUSTON** (September 24, 2019) – Noble Energy, Inc. (NYSE: **NBL**) (“Noble Energy” or “the Company”) announced today that it has commenced a cash tender offer for any and all of its \$1 billion 4.15% notes due 2021 (“the 2021 notes”). The tender offer is being made on the terms and subject to the conditions set forth in the offer to purchase dated September 24, 2019 and the related letter of transmittal and notice of guaranteed delivery.

The tender offer will expire at 5:00 p.m., New York City time, on September 30, 2019, unless extended or earlier terminated as described in the offer to purchase (such time and date, as they may be extended, the “Expiration Time”). Holders of the 2021 notes who validly tender (and do not validly withdraw) their notes prior to the Expiration Time, or who deliver to the depository and information agent a properly completed and duly executed notice of guaranteed delivery in accordance with the instructions described in the offer to purchase, will be eligible to receive in cash the Tender Offer Consideration described below.

Title of Security	CUSIP / ISIN	Outstanding Principal Amount	U.S. Treasury Reference Security	Bloomberg Reference Page	Fixed Spread
4.15% Notes due 2021	655044AF2 US655044AF28	\$1,000,000,000	2.75% UST due 9/15/21	FIT4	+35 bps

The “Tender Offer Consideration” for each \$1,000 principal amount of the 2021 notes validly tendered and accepted for purchase pursuant to the tender offer will be determined in the manner described in the offer to purchase by reference to a fixed spread specified for the 2021 notes and specified in the table above plus the yield based on the bid-side price of the U.S. Treasury Reference Security specified in the table above at 2:00 p.m., New York City time, on September 30, 2019, unless extended or earlier terminated.

Holders will also receive accrued and unpaid interest on the 2021 notes validly tendered and accepted for purchase from the June 15, 2019 interest payment date up to, but not including, the date the Company makes payment for such 2021 notes, which date is anticipated to be October 1, 2019

---

(the “Settlement Date”). Tendered notes may be withdrawn at any time at or prior to the Expiration Time. The Company reserves the right to terminate, withdraw or amend the tender offer at any time, subject to applicable law.

The tender offer is subject to the satisfaction or waiver of certain conditions, including receipt by the Company of proceeds from a proposed debt financing on terms reasonably satisfactory to the Company that generates net proceeds in an amount that is sufficient to effect the repurchase of the 2021 notes validly tendered and accepted for purchase pursuant to the tender offer. If any 2021 notes remain outstanding after the consummation of the tender offer, the Company expects (but is not obligated) to redeem such notes in accordance with the terms and conditions set forth in the related indenture.

The Company has engaged MUFG Securities Americas Inc. to act as dealer manager in connection with the tender offer, and has appointed Global Bondholder Services Corporation (“GBS”) to serve as the depository and information agent for the tender offer.

For additional information regarding the terms of the tender offer, please contact MUFG Securities Americas Inc. at (212) 405-7481. Questions regarding the tender offer should be directed to GBS at (212) 430-3774 (banks and brokers) or (866) 470-3700 (all others).

The complete terms and conditions of the tender offer are described in the offer to purchase and the related letter of transmittal and notice of guaranteed delivery. These documents are available at <http://www.gbsc-usa.com/Noble/> and may also be obtained by contacting GBS by telephone.

None of the Company, its board of directors, the dealer manager, GBS or the trustee for the notes, or any of their respective affiliates, is making any recommendation as to whether holders should tender any 2021 notes in response to the tender offer. Holders must make their own decision as to whether to tender any of their 2021 notes and, if so, the principal amount of 2021 notes to tender.

This announcement is not an offer to purchase or a solicitation of an offer to sell any securities and shall not constitute a notice of redemption under the indenture governing the 2021 notes. The tender offer is being made solely by means of the offer to purchase and the related letter of transmittal.

**Noble Energy (NYSE: NBL)** is an independent oil and natural gas exploration and production company committed to meeting the world’s growing energy needs and delivering leading returns to shareholders. The Company operates a high-quality portfolio of assets onshore in the United States and offshore in the Eastern Mediterranean and off the west coast of Africa. Founded more than 85

years ago, Noble Energy is guided by its values, its commitment to safety, and respect for stakeholders, communities and the environment. For more information on how the Company fulfills its purpose: Energizing the World, Bettering People's Lives®, visit <https://www.nblenergy.com>.

**Forward Looking Statements**

*This news release contains certain "forward-looking statements" within the meaning of federal securities laws. Words such as "anticipates", "believes", "expects", "intends", "will", "should", "may", and similar expressions may be used to identify forward-looking statements. Forward-looking statements are not statements of historical fact and reflect Noble Energy's current views about future events and are subject to a number of risks and uncertainties that could cause actual results to differ materially from those projected. These risks and uncertainties include, without limitation, the effects of global, national and regional economic and market conditions, changes in the financial markets and interest rates, the volatility in commodity prices for crude oil and natural gas, the ability to consummate the tender offer or redemption or the proposed debt financing and other risks inherent in Noble Energy's businesses that are discussed in Noble Energy's most recent annual report on Form 10-K and in other Noble Energy reports on file with the Securities and Exchange Commission. Forward-looking statements are based on the estimates and opinions of management at the time the statements are made. Noble Energy does not assume any obligation to update any forward-looking statements should circumstances or management's estimates or opinions change.*
